Options

- Automatic Flour Duster

In an effort to consistently upgrade our products, we reserve the right to change specifications and dimensions.

Sturdy Design:

- Fold up tables; Easy to move
- Tables, supports & dough catch pans made of stainless steel
- Protective hood for operating elements and controls

Simple Hygiene:

- Smooth surfaces
- No corners or visible bolts to collect dirt
- Scrapers can be fitted and removed easily

- Rondomat is the right dough sheeter for small to medium-sized bakeries
- It features a rugged and ergonomic design
- Processes all types of dough to form consistent blocks and bands of dough
- The working width of 25-1/4" allows you to feed cutting tables, croissant machines and small make-up lines
- Fatigue-free work
- Ergonomically shaped adjustment lever
- Minimum exertion when adjusting the rollers
- Clearly legible scale
- Easily adjustable end-thickness stop
- With stainless steel base

*Subject to technical changes without notice. The type specific and the safety instructions of the operating manuals, as well as the prohibition, mandatory action and warning signs to be observed.
