| Model  | Height    | Width   | Depth     | Belt width |
|--------|-----------|---------|-----------|------------|
| CP014B | 19.3 inch | 20 inch | 36.5 inch | 14 inch    |

## Notes & Details

The EasyRose Adjustable Speed Conveyor Toaster Oven delivers efficient 360° 3D heating with four quartz heating tubes, ensuring uniform heat distribution for perfectly baked crusts. It offers precise temperature control for accurate baking results and boasts a durable stainless-steel construction for long-lasting performance and heat resistance. This versatile toaster oven is perfect for more than just pizzas—it's great for baking cookies, bread, and snacks as well. Designed with ease of use in mind, it features a simple setup and a removable rear plate for hassle-free cleaning, making it an excellent choice for any commercial kitchen.
