

TANGO XP Duo 220, Steamair, mat dark grey color, NSF UL

Ref604518 (UTANGOXP220S8)

Two-groups super automatic espresso machine, 2 grinders, 2-step milk based beverages preparation, Steamair, able to deliver 4 drinks simultaneously, together with hot water and steam production. Mat dark grey color.

General Features

The TANGO XP Duo is a high-performing 2-groups super automatic coffee machine, able to deliver 4 drinks simultaneously. It is dedicated to coffee professionals who place premium coffee extraction at the top of their expectations. UNIC long-term heritage and expertise in espresso technology performs in the legendary reliable patented TANGO® brew group technology, achieving replicable and high-quality results in the cup. The TANGO XP Duo offers a user-friendly 10" digital screen interface with a clear intuitive menu engaging the operator in a full experience on coffee and milk parameters settings. Its serviceable design, featuring a flipped screen and a removable coffee drawer eases access to direct maintenance on the grinding and brewing units.

The elegant shape together with cutting-edge technologies combine in the new generation TANGO XP that offers a full new experience. TANGO XP's sleek lines blend painted aluminum side panels, stainless steel cup storage tray, large accessible and visible coffee beans hoppers and height-adjustable coffee spouts. The design is also driven by functionality and cares for details that make usability easier: drip tray, waste coffee drawer and coffee spouts are fully removable to ease cleaning.

Designed for performance, and for offering the opportunity to experience more, the TANGO XP line is truly the most distinctive line of super automatic machine of the market that drives for long-term customer satisfaction and loyalty.

TANGO XP Duo 220, Steamair, mat dark grey color, NSF UL
