## Oval Tray Rack

### Ideal For Large Parties & Banquets

Designed to improve efficiency by enabling the users to load platters from one side and unload from the other.

Angle guides hold trays by the bottom ensuring equal load distribution for "worry free" handling.

All seams are fully welded and sealed. Providing a smooth, easy to clean surface.

Heavy duty aluminum tube and angle slides maximize strength and durability.

- Four, one inch welds per angle guide.
- Supporting cross braces have gussets securely welded into place to prevent "racking".
- Equipped with four 5" heavy duty, plate type casters with non-marking wheels to protect floors and minimize noise.
- Handles most oval tray sizes.
- Five-Year Guarantee against material defects and workmanship.
- Lifetime Guarantee against rust and corrosion.
- **NSF Certified.** (excluding 97690)
