

OVEN LOADER PSA-1/PSA-2**Load and Unload Your Deck Oven With Ease!**

Empire PSA Oven Loaders, available in semi-automatic and fully automatic models, are the perfect compliment to our complete line of stone hearth deck ovens. The Semi-Automatic **PSA-1** utilizes an advanced counterweight system to raise and lower the mechanism smoothly, while the Fully Automatic **PSA-2** features state-of-the art motorized lifting controls to maneuver at the push of a button. Both models eliminate the need for hand peels and manual setters, making the loading and unloading of breads, rolls and pan goods a snap. When you need to increase the efficiency and productivity of your oven, count on an **Empire PSA Oven Loader!**
