Model #: _____	

Extra-Deep Combo Ice Bins

See reverse side for model number key

Standard Features

- Includes extra-deep main liner for 38% more capacity
- Ten circuit cold plate
- All stainless steel construction
- One-piece, seamless top and backsplash
- PVC plastic breaker strip around ice bin liner: creates 5/16" raised edge around liner, acts as thermal barrier to prevent heat transfer, and makes the cover slide easier
- Tubing chase available centered in backsplash of 12" and larger models. Specify accessory model #TC-BS.
- Backsplash mounted, hot and cold water ice-melting faucet available. Specify accessory model # IMF. For faucet specs, see spec Faucet-B.
- Sliding stainless steel cover
- Eco friendly foamed-in-place insulation has zero impact on global warming or ozone depletion
- Adjustable stainless steel bullet feet
- Combo Ice Bins combine separate draining ice bin and bottle well compartments into one integral unit. The fully insulated bottle well comes with wire rack(s) for ice chilled storage of bottles. The bottle well may be located on the left, right, or both sides of the ice bin.

NOTE: Combo Ice Bins are not recommended for dry, room temperature storage of bottles - instead, higher bottle capacity Liquor Steps (see spec page LD) should be ordered

Intertek

4004503

Conforms to ANSI/NSF STD 2
