Product Description:

The Empura E-KBC-65 Bottle Cooler offers a 19 ft³ storage capacity with a sleek black stainless steel slide top. It features lockable stainless steel sliding lids, an interior light with manual switch, and a built-in bottle opener with cap catcher. The cooler maintains a temperature range of 33°F to 41°F, has an electronic thermostat with digital LED display, and includes plastic-coated steel dividers, easy-mount casters, and high-density insulation for optimal performance.

About Empura Bottle Coolers:

The Empura EBC Bottle Coolers are the perfect solution for efficiently chilling and storing beverages in bars, restaurants, and event venues. Designed with a sleek, durable exterior and spacious interiors, these coolers maintain consistent temperatures to keep drinks perfectly cold. Sliding or hinged lids provide quick access, while adjustable dividers make organizing bottles and cans easy. With their reliable performance and compact design, Empura EBC Bottle Coolers ensure a seamless beverage service experience.

Intended For Commercial Use Only. Empura assumes no liability for component failure, factory defects or any other damages for units installed in non-commercial foodservice or residential applications.
