

SmartWall® Wall Shelving System — Kits

COMPLETE Kits

- Include tracks, uprights, shelf supports, shelves, wall grids and accessories.
- Options for sink, general prep and pizza applications.
- Kits are expertly configured to optimize your wall storage and efficiency. Each kit conveniently ships in one box.
- Kits are available in SmartWall Life (Type 304 Stainless Steel) and Metroseal Gray.

• SmartWall Life:

- Includes Type 304 Stainless Steel wall tracks, uprights, grids, and accessories. Shelves in the kits are MetroMax 4 all-polymer shelves, which feature removable shelf mats with Microban antimicrobial product protection.
- Lifetime warranty against corrosion.

• SmartWall – Metroseal Gray

- Metroseal Gray finish has a 15-year warranty against corrosion.
- Metroseal Gray has built-in Microban antimicrobial product protection to inhibit the growth of bacteria and keep the product cleaner between routine cleanings.

- Hardware to mount the kits to the wall is not included.

Note: The type of wall dictates the type of hardware to be used.

- NSF listed for all environments

BASE Kits

- Include tracks, uprights, shelf supports, shelves, and wall grids.
- Accessories are chosen separately.

Wall Shelving Kits

- Include tracks, uprights, shelf supports, and shelves.

Gray Metroseal Epoxy Finish with Microban

Overall actual length is determined by the wall track.

- 40" (1016 mm) wall track is used with 36" (914 mm) long shelves.
- 56" (1422 mm) wall track is used with 48" (1219 mm) long shelves.

All Metro Catalog Sheets are available on our website: metro.com

COMPLETE Sink Kits

- Grid-mounted accessories are included.
- SmartWall Life and Metroseal Gray sink kits include MetroMax 4 shelves.

***Note:** The overall length of the double bay shelving kit is based on the tracks connected end-to-end.
The most common use is to leave a space between each bay for the pre-rinse nozzle and hose or any wall mounted dispensers (cleaning agents, etc).
