

MEAT GRINDER & PROCESSOR

VERSATILE

Our Hakka Series Commercial Electric Meat Grinders and Meat Processor are ideal for butchers, home cooks and hunters. These grinders handle tough meats and wild game with ease. The stainless steel exterior ensures easy cleanup, and safety features include a circuit breaker and overload protection. User-friendly with a compact design, forward-reverse switch, and sealed gear box requiring no additional oil. Offering efficient and durable meat processing at an affordable price.
