

50" WIDE COUNTERTOP WARMER – PASS-THROUGH – SLANTED SHELF

Model SM-5024

The BKI® SM-5024 countertop warmer features a pass-through design, a single slanted shelf, and a ceramic infrared top heat combined with base bottom heat to keep food fresh and hot for extended times.

With the individual thermostatic controls for top and bottom heat, you can dial in the perfect holding temperatures for sandwiches and other grab-n-go hot food items.

The pass-through design allows for the kitchen to load fresh food easily from the back while customers can pull from the front of the warmer.

Our warmers come in a range of widths and tiers with both slanted and horizontal shelf options to meet your particular needs.
