Product Description:

Empura E-KPP44 Refrigerated Pizza Prep Table is an instance of function and durability, with a stainless interior and exterior, a capacity of 10 ft³, and an electronic thermostat with LED digital temperature display. The unit keeps temperatures within a range of 33°F to 41°F, comes with six 1/3 GN pans, has a removable polyethylene cutting board, and features a self-closing hinged door. It also has R290 refrigerant, 4" lockable casters, and a plug for NEMA-5-15P. Perfect for any kitchen.

About Empura Pizza Prep Refrigerators:

The Empura KPP Pizza Prep Refrigerators are designed to streamline food preparation in pizzerias, sandwich shops, and other commercial kitchens. These refrigerators feature a durable stainless steel exterior, ample refrigerated storage space, and a prep top with convenient pan compartments for quick access to toppings and ingredients. With easy-to-clean surfaces and a sturdy build, the Empura KPP units are ideal for boosting efficiency and ensuring top-notch food quality in high-demand environments.

Intended For Commercial Use Only. Empura assumes no liability for component failure, factory defects or any other damages for units installed in non-commercial foodservice or residential applications.
