

SPEC SHEET

60 In. Kitchen Wall Cabinet with Sliding Doors and 2 Shelves in Stainless-Steel

Model: KM-WMC-1560-L

FEATURES

- **Secure Storage with Locking Doors:** Keep your valuable items safe and protected with secure locking doors, providing peace of mind in busy environments.
- **Durable Construction:** Crafted from high-quality 430 stainless-steel with a 20-gauge thickness, this cabinet is built to withstand heavy use and resist corrosion, ensuring long-lasting durability.
- **Ample Storage with High Load Capacity:** With two robust shelves, each capable of holding up to 165.35 lbs., you'll have ample space to store a variety of items securely.
- **Slanted Roof Design:** The slanted roof design mitigates dust collection and is easy to clean, helping maintain a hygienic and tidy workspace.
- **Space-Efficient Wall Mounting:** Maximize your space with this wall-mounted cabinet, which includes a mounting bracket for easy and secure installation in any busy kitchen or work area.
- **Smooth Sliding Doors for Tight Spaces:** Dual sliding doors provide convenient access without requiring clearance space, making it ideal for compact or high-traffic environments.
- **Ventilation Slits:** Maintain a fresh and clean storage environment with slits that allow for proper ventilation and air circulates within the cabinet.
- **Easy to Clean:** The stainless-steel construction and smooth surfaces make this cabinet easy to wipe down and sanitize, maintaining a hygienic environment in compliance with health standards.
