Specifications

LSB Model Locker & Shoe Bench is constructed of an 18GA Type 304 stainless steel body. Top is constructed of 16GA Type 304 stainless steel with reinforcement channels added for stability.

Unit has 1 5/8" 16GA stainless steel legs with adjustable bullet feet. Open front bottom shelf is 18GA stainless steel with stainless steel channels.

Unit is provided with (3) lockable compartments. Doors are provided with lock & pull handle. Doors operate by pulling up & sliding in underneath top. Partitions separate the (3) storage compartments.

Overall size of the bench is 15"W x 60"L x 20"H. Keys are keyed alike (can be keyed differently upon request). Unit is polished smooth to a brush satin finish.

Product Guide

Stainless steel locker & shoe bench is designed to provide you a stable & supportive rest area in your commercial facility, while adding the luxury of locked compartments & a space for shoes.

The functional bench is a companion piece for a Chef's Closet and/or a Chef's Bench for a total storage solution.

Durable & easy to clean, stainless steel locker & shoe bench is a stylish choice in seating.
