Specifications

IBC Model Modular Style Island Base Cabinet is constructed of 14GA Frame, 16GA Top and 18GA End & Rear Panels type 304 stainless steel.

IBC-F Model Full Body Style Island Base Cabinet is constructed of 16GA Cabinet Body with 16GA Top type 300 series stainless steel.

Standard Cabinet is furnished open front style with a bottom shelf. The cabinet is fully welded and provided with a brushed #4 finish. The Island design allows cabinets to be provided with front and rear storage, pull-out units for garbage cans, pantry type storage and storage for utensils. Cabinets are mounted on 6" legs with adjustable feet. Adjustable shelves are included.

Product Guide

IMC Cabinets provide flexibility in designing storage space in the facility. Heavy duty rugged design. Add locks for security.

Cabinets may be provided in a variety of standard and non-standard sizes.
