## FUNNEL CAKE KIT

### TURN YOUR 616B FRYER INTO A FUNNEL CAKE STATION WITH EASE!

The Funnel Cake Kit allows you to make evenly shaped and perfectly portioned funnel cakes – up to four at a time. Built for speed and simplicity, this kit delivers consistent results with minimal effort, making funnel cake production easier than ever.

- Compatible with the 616B Countertop Fryer
- Includes base and mold; installs easily with no tools
- Mold can make four 7.5" funnel cakes at a time
- Produces up to 40 cakes per hour at ~4 minute fry time at 400°F
- Durable stainless steel construction
- Overall dimensions 16" x 16"
