

Special Features:

- ✓ 1 solid swing door
- ✓ 1 shelf
- ✓ 27.8"W x 29.9"D x 39.5"H
- ✓ 5.4 cu. ft. capacity
- ✓ 33-41 °F temperature range
- ✓ 3.9" backsplash
- ✓ 1/10 HP back reciprocating compressor
- ✓ Electronic thermostat, automatic defrost, digital temperature control
- ✓ Foam insulation
- ✓ Magnetic gasket
- ✓ ETL, ETL Sanitation
- ✓ Tested and conforms to NSF-7 Standards

Product Description:

The Empura E-KUC27W is a space-saving refrigeration solution designed to function as both a cold storage unit and a dedicated food preparation station. Ideal for sandwich shops, pizzerias, and compact commercial kitchens, this unit features a heavy-duty stainless steel worktop with a 3.9" backsplash. This integrated design allows chefs to prep ingredients directly on the unit without worrying about spills damaging the wall, while keeping fresh ingredients like vegetables, sauces, and deli meats chilled and accessible immediately below.

Intended For Commercial Use Only. Empura assumes no liability for component failure, factory defects or any other damages for units installed in non-commercial foodservice or residential applications.

About Empura Undercounter Refrigerators & Freezers:

The Empura E-KUC undercounter refrigerators and freezers are compact, reliable, and designed to optimize space in busy kitchens. With efficient cooling systems, adjustable shelves, and a user-friendly design, the E-KUC series provides consistent temperature control to keep your ingredients fresh and accessible. Perfect for restaurants, cafes, and bars, these undercounter units deliver performance and convenience in one sleek package.
