

Special Features:

- ✓ 4 half solid, self-closing swing doors
- ✓ 53-15/16"W x 32-11/16"D x 82-5/16"H
- ✓ 49 cu. ft. capacity
- ✓ -10°F to -0°F temperature range
- ✓ Electronic thermostat and digital LED temperature display
- ✓ HC refrigerant
- ✓ CFC-free refrigerant and foam
- ✓ Magnetic gasket replaceable without tools
- ✓ Concealed heating element
- ✓ Stainless steel exterior, and aluminum painted interior with stainless steel bottom
- ✓ ETL, ETL Sanitation
- ✓ Tested and conforms to NSF-7 Standards

Product Description:

The Empura E-KB54FH is a high-capacity storage solution engineered for commercial kitchens that demand both volume and energy efficiency. Featuring four half-height solid stainless steel doors, this 54-inch freezer allows staff to access specific quadrants of the cabinet without exposing the entire inventory to ambient heat. This "split-door" design is crucial for maintaining deep-freeze temperatures and preventing ice buildup. Powered by a robust bottom-mounted refrigeration system, it offers reliable performance for storing bulk meats, frozen vegetables, and prepared stocks.

Intended For Commercial Use Only. Empura assumes no liability for component failure, factory defects or any other damages for units installed in non-commercial foodservice or residential applications.

About Empura Reach-In Freezers:

Empura glass door merchandiser refrigerators are a smart, budget-friendly solution for upgrading or expanding your refrigerated merchandising equipment. Built for durability, these units feature locking, self-closing doors, a user-friendly digital display, generous storage capacity, and brilliant interior lighting. Designed for reliability, they ensure your products are always secure and maintained at the perfect temperature—making them a trusted choice for business owners who value performance and peace of mind.

TECHNICAL SPECS

Dimensions
