- ✓ Stainless steel white exterior and interior
- ✓ 60 mm insulation
- ✓ Magnetic gasket replaceable without tools
- ✓ Auto defrosting and evaporation
- ✓ ETL, ETL Sanitation
- ✓ Tested and conforms to NSF-7 Standards

Product Description:

The Empura EGM-7W is a sleek, high-visibility countertop refrigerator designed to maximize impulse sales in convenience stores, delis, bakeries, and concession stands. Finished in a professional black powder-coated exterior, this unit offers a modern look that hides stains and fingerprints better than traditional white models. With a compact footprint and a bright, LED-lit interior, it is engineered to showcase bottled beverages, yogurts, and grab-and-go snacks at eye level while maintaining precise food-safe temperatures.

About Empura Glass Door Merchandiser Refrigerators:

Empura glass door merchandiser refrigerators are a smart, budget-friendly solution for upgrading or expanding your refrigerated merchandising equipment. Built for durability, these units feature locking, self-closing doors, a user-friendly digital display, generous storage capacity, and brilliant interior lighting. Designed for reliability, they ensure your products are always secure and maintained at the perfect temperature—making them a trusted choice for business owners who value performance and peace of mind.

Intended For Commercial Use Only. Empura assumes no liability for component failure, factory defects or any other damages for units installed in non-commercial foodservice or residential applications.
