Special Features:

- ✓ Commercial Grade Chest Freezer
- ✓ 1 Solid Back-Hinged Door
- ✓ 18.2 Cubic Foot Frozen Storage Capacity
- ✓ Manual Thermostat Temperature Controls
- ✓ -10°F to 10°F Temperature Range
- ✓ 1/3 Horsepower Back-Mounted Reciprocating Compressor
- ✓ C5H10 Insulation
- ✓ CFC Free
- ✓ R290 Refrigerant
- ✓ 110" Power Cord With NEMA 5-15P Plug
- ✓ Digital Temperature Display
- ✓ ETL Certified

Product Description:

The Empura E-CF-18 Chest Freezer is a durable, commercial-grade unit designed to keep frozen goods safely stored at consistent temperatures. With an 18.2 cu. ft. capacity, it provides ample space for bulk ingredients and packaged products while maintaining easy accessibility. Its sturdy construction, energy-efficient operation, and user-friendly features—such as a balanced lid hinge and convenient defrost drain—make it a practical choice for busy kitchens. Certified by ETL, the E-CF-18 ensures reliable performance and food safety compliance in professional foodservice environments.

Intended For Commercial Use Only. Empura assumes no liability for component failure, factory defects or any other damages for units installed in non-commercial foodservice or residential applications.

About Empura Commercial Chest Freezers:

Empura's E-CF, and E-CFCG chest freezers are durable, commercial-grade units built for reliable frozen storage in foodservice operations. Designed with easy-to-clean interiors and consistent temperature control, they accommodate bulk ingredients and packaged goods with ease. Offered in various capacities and lid styles, these freezers include features like balanced hinges, front-drain systems, and energy-efficient performance. With NSF and ETL certifications, they provide dependable operation and food safety compliance for professional kitchens.
