

Special Features:

- ✓ 2 front-opening glass sliding door
- ✓ 3 glass shelves with stainless steel supports
- ✓ 59 1/16"W x 31-1/2"D x 53-9/16"H
- ✓ R290 refrigerant
- ✓ 39°F to 45°F temperature range
- ✓ CFC-free refrigerant and foam
- ✓ Electronic thermostat with digital LED display
- ✓ Stainless steel framework
- ✓ Heavy-duty casters
- ✓ ETL, ETL Sanitation
- ✓ Tested and conforms to NSF-7 Standards

Product Description:

The Empura Refrigeration E-KBDSF60-S Refrigerated Display Case is a commercial-grade refrigeration unit designed for effective product presentation in foodservice environments. Measuring 59 1/16 inches wide by 31-1/2 inches deep and standing 53-9/16 inches high, this self-contained refrigerated display case features a stainless steel framework for durability and sanitation. Operating within a temperature range of 39°F to 45°F, it ensures optimal product freshness. Equipped with three stainless steel adjustable shelves, a digital LED temperature display, and LED lighting, it enhances visual appeal and accessibility for display.

Intended For Commercial Use Only. Empura assumes no liability for component failure, factory defects or any other damages for units installed in non-commercial foodservice or residential applications.

About Empura Refrigerated Display Cases:

Empura glass door merchandiser refrigerators are a smart, budget-friendly solution for upgrading or expanding your refrigerated merchandising equipment. Built for durability, these units feature locking, self-closing doors, a user-friendly digital display, generous storage capacity, and brilliant interior lighting. Designed for reliability, they ensure your products are always secure and maintained at the perfect temperature—making them a trusted choice for business owners who value performance and peace of mind.
