- ✓ 1/3 HP back reciprocating compressor
- ✓ Electronic thermostat and digital temperature control
- ✓ Left & right hinge
- ✓ Foam insulation
- ✓ Magnetic gasket
- ✓ ETL, ETL Sanitation
- ✓ Tested and conforms to NSF-7 Standards

Product Description:

The Empura E-KUC48FW is a dual-purpose workhorse designed for high-efficiency commercial kitchens. Combining a spacious 48-inch freezer base with a heavy-duty stainless steel worktop and 3.9" backsplash, this unit provides a sanitary, dedicated area for food preparation. Ideally suited for sandwich stations, salad prep, or sous-chef stations, it keeps frozen ingredients—such as fries, proteins, or smoothie mixes—securely frozen and immediately accessible, streamlining workflow and reducing traffic to the walk-in freezer.

About Empura Undercounter Refrigerators & Freezers:

The Empura E-KUC undercounter refrigerators and freezers are compact, reliable, and designed to optimize space in busy kitchens. With efficient cooling systems, adjustable shelves, and a user-friendly design, the E-KUC series provides consistent temperature control to keep your ingredients fresh and accessible. Perfect for restaurants, cafes, and bars, these undercounter units deliver performance and convenience in one sleek package.

Intended For Commercial Use Only. Empura assumes no liability for component failure, factory defects or any other damages for units installed in non-commercial foodservice or residential applications.
