- ✓ 3.9" backsplash
- ✓ Electronic thermostat, automatic defrost, digital temperature control
- ✓ 1/8 HP back reciprocating compressor
- ✓ ETL, ETL Sanitation
- ✓ Tested and conforms to NSF-7 Standards

Product Description:

The Empura E-KUC60W is a high-capacity refrigerated prep station designed for busy commercial kitchens requiring significant cold storage at the point of use. With a 60-inch wide footprint, this unit offers a spacious 15 cubic feet of interior volume combined with a durable stainless steel worktop and 4" backsplash. Ideally suited for salad stations, pizza prep, or general kitchen assembly lines, it provides a sturdy, sanitary workspace while keeping bulk ingredients chilled and instantly accessible below.

About Empura Undercounter Refrigerators & Freezers:

The Empura E-KUC undercounter refrigerators and freezers are compact, reliable, and designed to optimize space in busy kitchens. With efficient cooling systems, adjustable shelves, and a user-friendly design, the E-KUC series provides consistent temperature control to keep your ingredients fresh and accessible. Perfect for restaurants, cafes, and bars, these undercounter units deliver performance and convenience in one sleek package.

Intended For Commercial Use Only. Empura assumes no liability for component failure, factory defects or any other damages for units installed in non-commercial foodservice or residential applications.
