

## Special Features:

- ✓ 3 solid swing doors, 3 shelves
- ✓ 12 pan capacity
- ✓ Removable polyethylene cutting board
- ✓ 94.2"W x 32.3"D x 41.3"H
- ✓ 33F to 41F temperature range
- ✓ 1/3 HP reciprocating compressor
- ✓ R290 CFC-free refrigerant
- ✓ Electronic thermostat, automatic electric defrost, digital LED temperature display
- ✓ Stainless steel exterior
- ✓ Removable magnetic door gaskets
- ✓ ETL, ETL Sanitation
- ✓ Tested and conforms to NSF-7 Standard

## Product Description:

The Empura E-KPP93 is a high-volume culinary workstation designed specifically for busy pizzerias, Italian restaurants, and large-scale sandwich operations. Spanning an impressive 93 inches, this unit features a massive 19-inch deep cutting board and a raised refrigerated rail capable of holding (12) 1/3 size pans. Built with a durable stainless steel exterior and a powerful side-mounted refrigeration system, it ensures consistent cooling for toppings while providing enormous refrigerated storage for dough trays and bulk supplies below.

## About Empura Pizza Prep Refrigerators:

The Empura KPP Pizza Prep Refrigerators are designed to streamline food preparation in pizzerias, sandwich shops, and other commercial kitchens. These refrigerators feature a durable stainless steel exterior, ample refrigerated storage space, and a prep top with convenient pan compartments for quick access to toppings and ingredients. With easy-to-clean surfaces and a sturdy build, the Empura KPP units are ideal for boosting efficiency and ensuring top-notch food quality in high-demand environments.

**Intended For Commercial Use Only.** Empura assumes no liability for component failure, factory defects or any other damages for units installed in non-commercial foodservice or residential applications.
