

Special Features:

- ✓ 2 half solid swing doors
- ✓ 26-3/4"W x 32-11/16"D x 82-5/16"H
- ✓ 33°F to 41°F temperature range
- ✓ CFC-free refrigerant and foam
- ✓ 23 cu. ft. capacity
- ✓ Electronic thermostat and digital LED temperature display
- ✓ Self-closing door
- ✓ Magnetic gasket replaceable without tools
- ✓ Stainless steel exterior aluminum painted interior with stainless steel bottom
- ✓ Concealed heating element
- ✓ ETL, ETL Sanitation
- ✓ Tested and conforms to NSF-7 Standards

Product Description:

The Empura E-KB27RH is a versatile, energy-efficient reach-in refrigerator designed for commercial kitchens that require frequent access to ingredients without sacrificing temperature stability. This model features two half-height solid stainless steel doors (split doors) which allows chefs to open only the section they need—top or bottom—significantly reducing cold air loss and energy consumption in hot kitchen environments. With a robust stainless steel exterior and a high-efficiency bottom-mounted compressor, it delivers reliable cooling performance for restaurants, bakeries, and cafeterias.

Intended For Commercial Use Only. Empura assumes no liability for component failure, factory defects or any other damages for units installed in non-commercial foodservice or residential applications.

About Empura Reach-In Refrigerators:

Empura glass door merchandiser refrigerators are a smart, budget-friendly solution for upgrading or expanding your refrigerated merchandising equipment. Built for durability, these units feature locking, self-closing doors, a user-friendly digital display, generous storage capacity, and brilliant interior lighting. Designed for reliability, they ensure your products are always secure and maintained at the perfect temperature—making them a trusted choice for business owners who value performance and peace of mind.
