

Special Features:

- ✓ 1 solid swing door
- ✓ 27.8"W x 29.9"D x 39.5"H
- ✓ -10-0 °F temperature range
- ✓ 5.4 cu. ft. capacity
- ✓ 1/4 HP back reciprocating compressor
- ✓ Electronic thermostat and digital temperature control
- ✓ Magnetic gasket
- ✓ Foam insulation
- ETL, ETL Sanitation
- ✓ Tested and conforms to NSF-7 Standards

Product Description:

The Empura E-KUC27FW is a compact, high-efficiency freezer designed to add critical frozen storage directly to the cook line. Ideal for commercial kitchens with limited space, this unit fits neatly under standard counters or serves as a standalone workstation thanks to its durable stainless steel top with backsplash. Whether holding frozen fries, meats, or prepped ingredients, it keeps products within arm's reach of the chef, improving workflow efficiency while maintaining deep-freeze temperatures.

About Empura Undercounter Refrigerators & Freezers:

The Empura E-KUC undercounter refrigerators and freezers are compact, reliable, and designed to optimize space in busy kitchens. With efficient cooling systems, adjustable shelves, and a user-friendly design, the E-KUC series provides consistent temperature control to keep your ingredients fresh and accessible. Perfect for restaurants, cafes, and bars, these undercounter units deliver performance and convenience in one sleek package.

Intended For Commercial Use Only. Empura assumes no liability for component failure, factory defects or any other damages for units installed in non-commercial foodservice or residential applications.
