

MIAMI 17" x 17" Low Table

Stylish, strong, and stout - the Miami Low Table is constructed of 100% prime resin infused with UV stabilizers to resist color fading and deterioration. It's durable to stand up to extreme weather conditions for all seasons and stays cool to the touch in the hot sun

- One piece molded construction
- Cleans easily with soap and water
- Complements Grosfillex chaises and chairs on balconies and pool decks
- Stackable for easy storage
