

Y-LEG RESIN PEDESTAL

Specifically made for pool-side tables in hospitality settings, the Y-leg resin base features an elegant tulip base design. Made of 100% prime resin, a material impervious to moisture, salt air, chlorine and most common stains. Plastic brackets and hardware pack for assembly with molded melamine tops. Easy to assemble.

- Specifically made for 42" & 48" round pool side tables in hospitality settings
- 40" base span for extra stability
- Umbrella hole fits all Grosfillex 1 1/2" umbrella poles
- Specifically designed to allow the use of Grosfillex 35 lb. table umbrella base with optional 35 lb. base ring or the resin umbrella base with filling cap
- Complete tables can be custom designed by mixing this base in any of the available tabletop colors
- 1 adjustable footpad included - additional adjustable footpads sold separately
- Tabletop sold separately
