

JAVA Chaise

The stylish 4-position adjustable all-weather wicker chaise is specifically designed to perform in commercial outdoor environments. Its high strength wicker frame is rated to 300 lbs. Recessed wheels and hard-wearing footpads ensure long service in even the harshest of weather conditions.

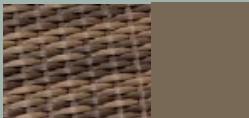

- Resin wicker frame specifically woven to be breathable, power-washable and is easily replaceable
- VIRO® branded fiber, highly flexible for comfort and resistant to color fading, cracking, peeling & breaking
- Stacks for easy storage
