

POS-ESB-XX32

Point of Sale euro style Base

POS-ESB-4632

Description:

The POS-ESB, Point of Sale euro style Base, is 34" tall. The POS-ESB features a laminate countertop with cord pass-throughs covered with plastic grommets and caps, euro-style self closing concealed hinges, and a single-sided cabinet for convenient storage. Optional accessories include rolling casters and a quartz countertop. The POS-ESB ships fully assembled.

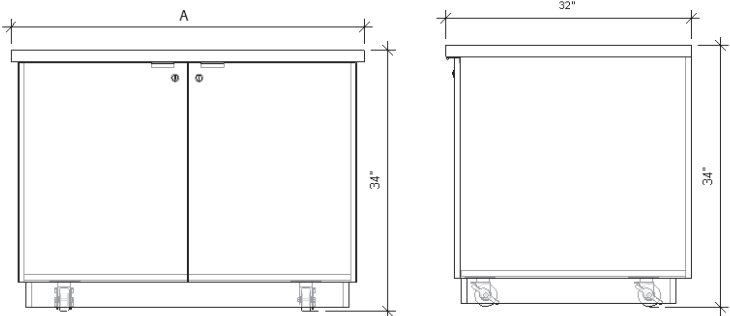

Point of Sale

A 34" tall single-sided cash register payment station

Order Process:

- Send PO or equivalent to Axis Sales Representative
- Determine payment method and terms (credit card, wire transfer, check)
- Receive acknowledgement and estimated ship date from Axis Designs

Email: Orders@axisdesigns.net
