

### Description:

The FSLSUMB, free standing low side undercounter merchandiser base, is 60" tall. The FSLSUMB features an integrated slat wall back panel system, rigid countertop, and sturdy plywood construction. The FSLSUMB provides product display space without blocking line-of-sight in your cafe or Micro-Market. The full-height slat wall allows for a variety of hardware configurations to merchandise an array of products. Baskets are easily configured to maximize merchandising opportunities. The FSLSUMB ships fully assembled.

### Free Standing Low Side Fixture

A 60" tall free-standing low side merchandiser with a countertop

#### Order Process:

- Send PO or equivalent to Axis Sales Representative
- Determine payment method and terms (credit card, wire transfer, check)
- Receive acknowledgement and estimated ship date from Axis Designs
