

Description:

The FSASMCB, Free Standing Arch Side Merchandiser Cabinet Base, is 80" tall. The FSASMCB features a half-height slat wall with lockable double door storage cabinet, sturdy plywood frame construction. The slat wall above the rigid mid shelf has ample space for merchandising opportunities with shelves or pegs. The mid-level countertop is perfect for positioning a point-of-sale kiosk or coffee service. The full Eurostyle Storage cabinet features a cam lock in each door (multiples keyed the same) and Full Overlay Self Closing hinges. One interior adjustable shelf and four shelf pins are included with each storage base. The FSASMCB ships fully assembled.

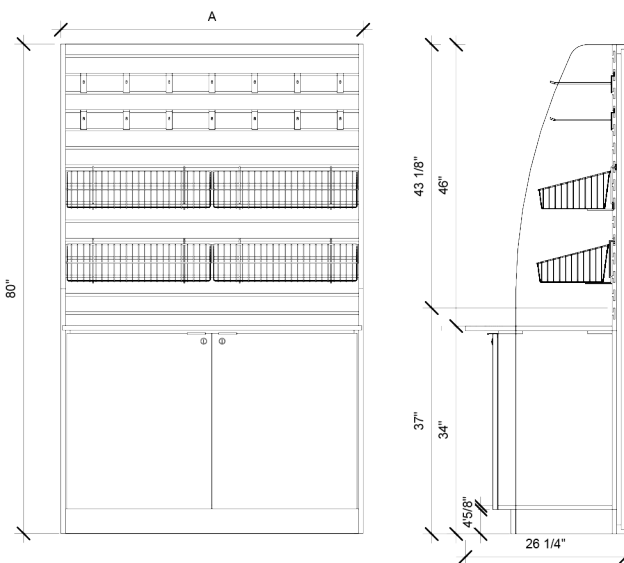

Free Standing Arched Side Fixture

An 80" tall free-standing merchandiser with arched sidewalls and cabinet base

Order Process:

- Send PO or equivalent to Axis Sales Representative
- Determine payment method and terms (credit card, wire transfer, check)
- Receive acknowledgement and estimated ship date from Axis Designs
