FSLSMCB-XX60

Free Standing Low Side Merchandiser Cabinet Base

FSLSMCB-3660

FSLSMCB-4260

FSLSMCB-4860

Description:

The FSLSMCB, free standing low side merchandiser with cabinet base, is 60" tall. The FSLSMCB, features a slat wall above the rigid mid shelf, lockable door storage cabinet, sturdy plywood frame construction. The countertop is perfect for positioning a point-of-sale kiosk or coffee machine. Shelves and baskets are easily configured to maximize merchandising opportunities around a self-pay unit or coffee machine without blocking line-of-sight in your cafe or Micro-Market. The full Eurostyle Storage cabinet features a cam lock in each door (multiples keyed the same) and Full Overlay Self Closing hinges. One interior adjustable shelf and four shelf pins are included with each storage base. The FSLSMCB ships fully assembled.
