

FSLS-POS-CB-XX60

Free-Standing Low Side Point of Sale Station with Locking

Storage

FSLS-POS-CB-2460

Description:

The FSLS-POS-CB, Free-Standing Low Side Point of Sale with Base Cabinet, is 60" tall. The FSLS-POS-CB features a laminate countertop with a single cord hole with plastic grommet and cap, arched side walls hiding all wiring and providing additional privacy for the customer, and a locking cabinet base to house electronic equipment or restocking items for your market. The FSLS-POS-CB ships fully assembled.

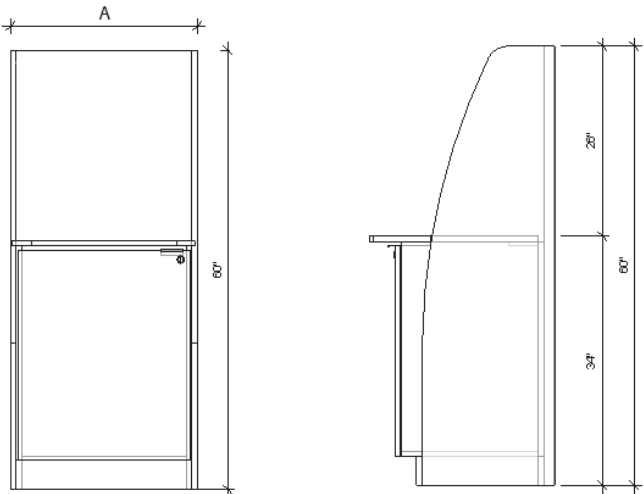

Point of Sale

A 60" tall free standing low-side point of sale station with a locking storage base cabinet

- Order Process:**

 - Send PO or equivalent to Axis Sales Representative
 - Determine payment method and terms (credit card, wire transfer, check)
