

WR-TD-SJ-DBL

Top Drop Recessed Angled Slim Waste Receptacle

WR-TD-SJ-DBL

Description:

The WR-TD-SJ-DBL, Top Drop Recessed Angled Slim Waste Receptacle, is 44-7/8" tall. The WR-TD-SJ-DBL features a single wide waste receptacle size with two, slim, 23-gallon waste bins, flush finger pull for waste can access, and a top drop opening. The slim waste bins give you two chutes to sort waste through without sacrificing additional floor space. The WR-TD-SJ-DBL ships fully assembled.

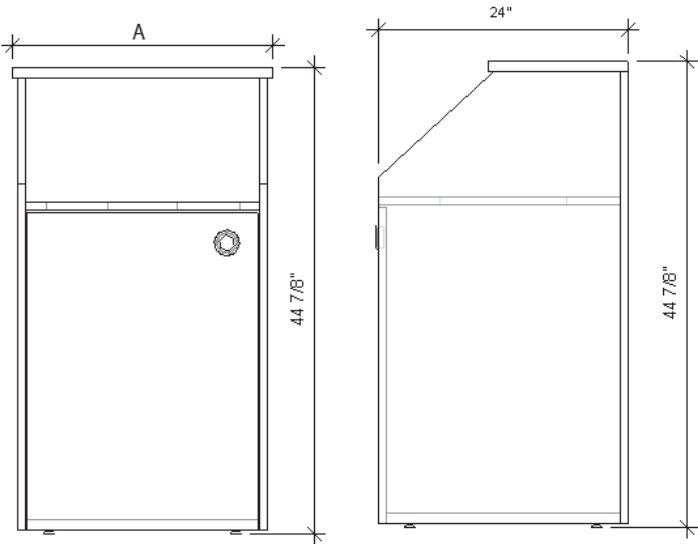

Waste Receptacles

A 44-7/8" tall single wide double slim waste receptacle with top drop

Order Process:

- Send PO or equivalent to Axis Sales Representative
- Determine payment method and terms (credit card, wire transfer, check)
- Receive acknowledgement and estimated ship date from Axis Designs
