KGC-12F

Designed for modern ice cream parlors, hotel lobby, dessert bars, and more, these superbly-crafted and engineered Italian gelato cases from KOOL-IT showcase a variety of flavors with either flat or curved glass design.

Combining high-performance and superb product visibility. Our advanced airflow design always provides a balanced temperature throughout, ensuring that the product you serve is always perfect for your customers so they keep coming back for more!

Durable Design

- Interior: Stainless steel 16 gauge
- Exterior: Coated metal paint – available in either white or black color
- The pan size 14.2" x 6.5" x 4.7"

Superior Quality

- Rear acrylic sliding doors.
- Double-pane heated clear glass with heater inside
- LED lighting

Energy Efficient

- Dual coil refrigeration system keeps the product at optimal temperature
- Auto defrost system for glass, door frame and evaporator
- Air circulating through the case maintains an even temperature
- Refrigeration system keeps ice cream at safe temperature below (-8°C) 15°F
- Fan cooling system: integrated average
- Product temperature less than -1°
- Refrigerant: R290
