208-230/60/1 = 25 Amps

208-230/60/3 = 20 Amps

About the 704R

Cooling Options

Serving Estimate:

Up to 320 Frozen Cocktails / hr

We reserve the right to change specifications and product designs without notice. Such revisions do not entitle the buyer to corresponding changes, improvements, additions, or replacements for previously purchased equipment.

✓ SPACE SAVING - *Small Footprint Design*

SaniServ® model 704R provides super high production while saving valuable floor space by utilizing the countertop design. With the 704R, there is no need to purchase a floor model type machine to attain high production capacity and capability.

✓ EASY CLEANING AND OPERATION - *Fewer Parts = Simplified Cleaning*

SaniServ® equipment is designed and built with the fewest parts to be disassembled, cleaned and sanitized than any other machine in the industry. The state of the art solid-state AccuFreeze® control insures product consistency, worry-free operation and customer satisfaction.

✓ HIGH RETURN ON INVESTMENT - *Increased Profits*

SaniServ® machines combine efficiency with consistent product quality and fast, quiet operation while insuring customer satisfaction with high profit frozen beverages.

✓ QUALITY DESIGN - *Durability*

SaniServ® machines are built to achieve long and dependable life through simplicity of design. Every machine is shipped standard with a stainless steel exterior, durable steel interior frame construction, heavy-duty components and consistency systems.
