## Maxx Cold V-Series Single Glass Door Merchandiser Refrigerator, in Black

### MVMR16B

The Maxx Cold V-Series Single Glass Door Merchandiser Refrigerator is a valuable asset for commercial establishments looking to showcase refrigerated products in a visually appealing way. This cost-effective commercial merchandiser refrigerator measures 25"W and has a capacity of 16 cubic feet. It is constructed of a powder-coated steel exterior and a powder-coated aluminum interior. The unit has an easily accessible bottom mount for cleaning and one double-pane insulated glass door.

### FEATURES AND CONSTRUCTION

- Automatic defrost system
- Easily accessible bottom mount for cleaning
- Constructed of a powder coated steel exterior and powder coated aluminum interior
- Digital controls with LED temperature display
- Interior LED lighting illuminates the contents of the merchandiser, enhancing product visibility and presentation
- Three (3) adjustable heavy-duty PE-coated wire shelves
- Four (4) rollers (2 with leveling feet)
- One double pane insulated glass door allows customers to easily see the contents
- Automatic defrost system
- Includes lock and key set for security
- Illuminated top panel for advertising and promoting products
- Equipped with integrated condensate evaporator; therefore, no drain line connection is needed
