Features

- **Commercial Versatility:** This indoor panini grill functions as a panini press, contact grill, and double grill, catering to various cooking needs for both home and commercial use, with ample 15" x 11" cooking plates suitable for family-sized servings.
- **Easy Cleanup:** Featuring non-stick, waterproof, and dishwasher-safe plates, this grill includes an adjustable lid and anti-scald handle for safe operation, making cleanup effortless while also delivering classic grill marks on paninis and burgers.
- **Precise Temperature Control:** The electric contact grill is equipped with an intuitive temperature control system, allowing for easy adjustments across a range of 0-570°F to achieve the perfect cooking results.
- **Hygienic Design:** An integrated removable oil tray collects excess oil and residue, promoting cleanliness and simplifying maintenance, while air vents on the sides enhance cooling efficiency.
- **Wide Applications:** Ideal for cooking a variety of foods including sausages, bacon, vegetables, steaks, grilled cheese, and more, this grill is perfect for diverse settings such as kitchen countertops, BBQs, picnics, buffets, restaurants, deli shops, and catering trailers.

Notes & Details

The EasyRose indoor commercial panini grill is a versatile cooking solution that serves as a panini press, contact grill, and double grill, making it ideal for both home and commercial use. With spacious 15" x 11" cooking plates, it accommodates family-sized servings effortlessly. The grill features non-stick, waterproof plates that are dishwasher-safe for easy cleanup, along with an adjustable lid and anti-scald handle for safe operation. Its precise temperature control system allows for easy adjustments from 0-570°F, ensuring optimal cooking results every time. The hygienic design includes a removable oil tray for collecting excess oil and residue, simplifying maintenance, while side air vents promote efficient cooling. Perfect for a wide range of foods such as sausages, bacon, vegetables, steaks, and paninis, this grill is suited for various settings, including kitchen countertops, BBQs, picnics, buffets, restaurants, deli shops, and catering trailers.
