Product Description:

The Empura E-KSP29M Mega Top Sandwich/Salad Table Refrigerator is a versatile and durable solution for food prep and storage. With a 6 ft³ capacity, stainless steel construction, and a reliable electronic thermostat, it maintains a temperature range of 33°F to 41°F. Features include a solid swing door, 1/6 polycarbonate pans, a cutting board, and lockable casters for mobility. Equipped with eco-friendly R290 refrigerant, it's built for efficiency and convenience.

About Empura Sandwich / Salad Prep Refrigerators:

Empura Sandwich/Salad Prep Refrigerators are versatile and efficient solutions designed to meet the demands of busy commercial kitchens. These units combine refrigeration and prep space, offering a convenient way to keep ingredients fresh and easily accessible while streamlining food preparation. Featuring a durable stainless steel construction, ample storage capacity, and a top compartment with pans for quick access to ingredients, Empura prep refrigerators are perfect for assembling sandwiches, salads, and other made-to-order dishes.

Intended For Commercial Use Only. Empura assumes no liability for component failure, factory defects or any other damages for units installed in non-commercial foodservice or residential applications.
