

MCT-4-PB NOTE: Faucet handles not included.

Optional Rinser Faucet

Installation Notes

- · Unit does not provide a 1" air gap
- Must be installed with external backflow prevention to meet applicable federal, state, and local plumbing code requirements.
- · Install in-line water pressure regulator (included)
- A separate shut-off valve is recommended (not included)

NOTE: Rinser faucets are not intended for use with towers mounted to a refrigerator due to risk of water line freeze up.

03012383 Rinser Faucet Assembly

Optional Rinser Faucet Extension
