- ✓ Cooking Surface with Dimension (46.9"W x 18.3"D)
- ✓ 3/4" NPT Rear Gas Connection
- ✓ Reversible and Removable Cast Iron Grill Grates
- ✓ Convenient Side and Rear Splash Guards
- ✓ Natural Gas-Powered (Includes Liquid Propane Conversion Kit)
- ✓ 4" Adjustable Stainless Steel Legs for Stability

Product Description:

The Empura ECB-48S Charbroiler is a robust, standard-duty gas-powered countertop unit designed for high performance and durability. Its stainless steel and galvanized steel construction ensures long-lasting reliability and easy maintenance. With four burners delivering a total of 120,000 BTU, it efficiently heats a spacious 46.9" x 18.3" cooking surface. Manual controls with radiant heat technology provide precision, while reversible cast iron grates and splash guards add convenience. Includes a 3/4" NPT rear gas connection, liquid propane conversion kit, and 4" adjustable stainless steel legs for stability.

Intended For Commercial Use Only. Empura assumes no liability for component failure, factory defects or any other damages for units installed in non-commercial foodservice or residential applications.

About Empura Gas Charbroilers:

The Empura ECB Gas Charbroilers are built to deliver exceptional grilling performance for restaurants, food trucks, and commercial kitchens. With heavy-duty cast iron grates and adjustable temperature controls, these charbroilers ensure even heat distribution and perfectly cooked dishes. The stainless steel construction provides durability and easy cleaning, while the compact design maximizes workspace efficiency. Ideal for preparing burgers, steaks, and grilled vegetables, the Empura ECB Gas Charbroilers offer reliable performance and versatility for high-demand cooking environments.
