

Specification/Datasheet

Unit elevation with fixing for model 6 half-size, 10 half-size, MarineLine

Article number

60.31.099

Description

The unit elevation ensures safe installation of the iCombi Pro and iCombi Classic 6-half size and 10-half size on worktops with a depth of at least 27 1/2 in (700 mm). The cooking system can be fixed on the unit elevation using a mounting kit.

Intended use

This product is intended exclusively for professional use, such as in restaurant kitchens or catering operations for schools, hospitals, or delis. Any other use runs counter to its intended purpose, and could be dangerous. RATIONAL AG assumes no liability for consequences of improper use.

Features

- Height-adjustable, fixable feet
- Mounting kit for fixing the cooking system on the base frame
- Open on all sides

Dimensions and weights

Width (W):	34 7/8 in
Height (H):	5 7/8 in
Depth (D):	26 1/8 in
Weight:	19.8 lb

Material

Stainless steel (CNS 1.4301/AISI 304)
