

## SmartWall® Accessories

### Customizable Task Stations

Accessories mount to grids and can be configured to meet the exact application. Use accessories to create unique task stations to organize sink and prep areas.

**Above Sinks:** Use shelves, drying racks, baskets, and hooks to promote safe air drying of containers, utensils, trays, lids, and other items that are used in food preparation.

**Above Prep Tables:** Use baskets, grid shelves, bins, and hooks to keep the work area free from clutter and to keep utensils and containers clean until they are needed.
