KEY PRODUCT FEATURES AND BENEFITS

- Remote back bar refrigerators allow customers to mount the compressor in an alternate location, ideal for remote servicing and noise isolation
- All stainless steel interior with stainless steel or black top for long life durability and easy to clean hygienic storage
- 2″ Foamed–in–place insulation provides energy savings using Ecomate™, a blowing agent that has zero–ozone depletion and zero global warming potential
- NSF/ANSI Standard 7 Listed for open food, beverage, and garnish storage
- Anti–sweat heaters in cabinet face prevents condensation from forming on door, extending door gasket life and protecting flooring below from damage or slip hazards
- Multiple door styles available in any compartment
-     – Choose between Glass, Stainless–Steel, Black Vinyl, or Customer Provided Overlay
-     – Drawers not available on remote models

Additional Features:

- Choose between all stainless exterior or all black option featuring Cerakote finished black handles and door locks.
- Integrated door locks standard on all units
- Optional condensing units available
- Choose between 6000K white LED lighting or cool blue display lighting
- Choose between flat shelving and wine racks for each compartment
- Choose between Full Length, 6″ Chrome, or pull tab style handles
- 1 Year Parts and Labor Warranty
