

Vertex China | Obsidian

With the groundbreaking Obsidian collection, we continuously bring new concepts to tableware. Supreme versatility makes Obsidian perfect for optimal presentation applications such as oven to table casseroles, baked desserts or chilled presentations. Masterly manufactured to mimic cast iron aesthetically and functionally without the weight or rusting. Obsidian is dishwasher safe and has a unique texture to camouflage normal wear and tear.

- 100% pure black porcelain
- Freezer to oven compatible
- Super matte finish and still very scratch resistant
