Product Description:

The Empura E-KSP29 Sandwich/Salad Unit combines durability and efficiency in a compact design. Featuring a stainless steel construction, 6 ft³ storage, and high-density foam insulation, it ensures optimal cooling with a temperature range of 33°F to 41°F. Equipped with an electronic thermostat, 1 solid swing door, removable magnetic gaskets, 1/6 x 4" deep pans, and a cutting board, it's perfect for food prep. Lockable casters and R290 refrigerant enhance convenience and eco-friendliness.

About Empura Sandwich / Salad Prep Refrigerators:

Empura Sandwich/Salad Prep Refrigerators are versatile and efficient solutions designed to meet the demands of busy commercial kitchens. These units combine refrigeration and prep space, offering a convenient way to keep ingredients fresh and easily accessible while streamlining food preparation. Featuring a durable stainless steel construction, ample storage capacity, and a top compartment with pans for quick access to ingredients, Empura prep refrigerators are perfect for assembling sandwiches, salads, and other made-to-order dishes.

Intended For Commercial Use Only. Empura assumes no liability for component failure, factory defects or any other damages for units installed in non-commercial foodservice or residential applications.
