STAINLESS STEEL RISER & TEMPLATES

Our aluminum perforated templates with riser legs are designed to sit on the bottom of a mechanically cooled cold food bar to present your food products in a proper cold zone

- Template risers are designed to offer your cold food station ultimate flexibility
- Options for various heights allow for customization of your cold well display
- To ensure a proper fit, well dimensions and drawings are required, contact your TableCraft rep for details
- Available in Brushed (BRA) finish only
- Inserts are manufactured and shipped from Willis, Texas
