

SlimJim®

The Slim Jim® Rim Caddy is a purpose-built solution to store and transport common cleaning tools when collecting waste in the tightest spaces. The Slim Jim® Rim Caddy compactly holds various cleaning tools including brooms, dustpans, safety signs, spray bottles, extra can liners, and more. Rim Caddy includes stick clip, peg hook, wide hook, and a stick tool tray.

Features and Benefits:

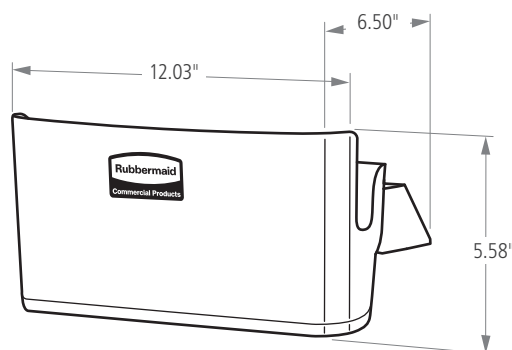

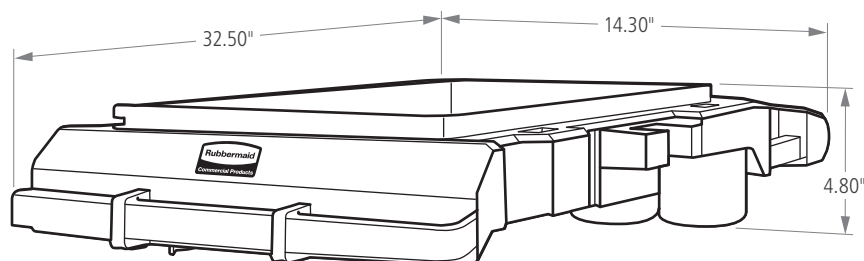

- The Slim Jim® Rim Caddy paired with the slim profile of a Slim Jim® container allows for easy maneuvering in the tightest spaces
- Features an integrated dustpan holder, dedicated hooks to hold a safety sign, and space for storing up to three spray bottles
- Slim Jim® Tool Clips can be arranged in hundreds of different configurations on dedicated tool rails to fulfill facility-specific needs
- Ergonomic handle provides comfortable maneuverability
- Bag cinches secure liners and allow for quick, knot-free liner changes

Material Composition:

- Injection-molded with high-quality resin

Compatibility:

- Compatible with 23-Gallon Vented Slim Jim® Containers
