

FINALLY...A STORAGE SYSTEM FOR STEAM TABLE PANS

AMCO® STEAM TABLE PAN RACK

- **USE ON PREP TABLES**
- **FITS SECURELY ON SHELVING**
- **TRANSPORT ON CARTS**

End the need to store and transport steam table pans one at a time. The Amco® Steam Table Pan Rack has 8 slides on 1½" centers to provide you capacity for several Steam Table Pans.

The rack is easily attached to any style of wire mobile shelving. That makes transportation from prep table to serving area simple and easy. When serving time has ended, just roll the mobile mounted rack to the refrigerated area.

Engineered of heavy gauge wire, the Amco® Steam Table Pan Rack is protected against corrosion with Zinc Protoxy.
