15" x 20" Tray Rack

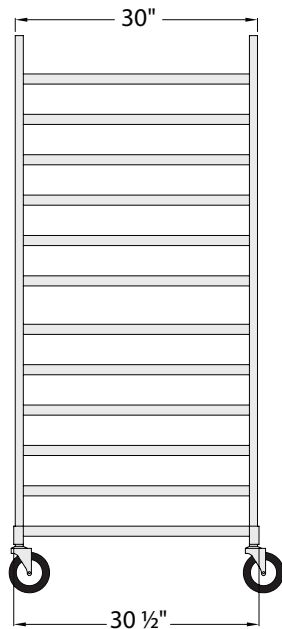

NS833

NS834

NS833

These racks are specially designed to hold 15" x 20" trays. Ribbed angle guides support trays from the bottom, to ensure equal load distribution and allow pans to slide on and off with ease, minimizing the galling or flaking that can occur with heavy usage.

- Framework is constructed of 1" x 1" x .070" wall tubing; Supports are reinforced with gussets to prevent racking.
- Angle guides are 1 1/4" x 2" x .100" wall angle.
- Welded on three sides for strength and durability.
- Equipped with four, stem type, 5" diameter casters, full swivel design with non-marking wheels
- Five-Year Guarantee against material defects and workmanship.
- Lifetime Guarantee against rust and corrosion.
- NSF Certified.

► 15" x 20" Tray Rack
